ORLANDO, FL - Congratulations to the CCIS National Scholarship Recipient of 2026, Gwendolyn McLane! Gwen is a current senior at Boardman High School in Ohio and will continue her education in Civil Engineering at University of Cincinnati after graduation. She is active in Track & Field, the Manager of the BHS Chorale and Boardman Signers, collaborates and sings in her church's Youth Music Ensemble and has worked several customer service jobs, all while maintaining a 4.0 GPA.
